**Harmony of opposites.
Sharing and privacy are
two sides of the same
coin thanks to the M1,
the vertical partition
system consisting of a
single transparent or
matt glass panel.**

Patented system for lining up and levelling of glass panels

M1 glazed partition | Elm covered tracks
S1 storage wall | Umbra Grey lacquered doors and panels
CITY LOUNGE armchair | C05/280 fabric and Black base
MIAMI pouf and side table | Umbra Grey base, C05/280 fabric, Invisible White porcelain stoneware top

The presence of vertical uprights is reduced to a minimum thanks to a structure that alternates single glass panels with solid panels to give spaces a light and airy feel.

X9 desk | Elm top and Matt White legs

12

M1 glazed partition | Matt White tracks, Silk Grey lacquered door and Vega glass finish film
P1 wall cladding | Beige Grey lacquered panels and Silk Grey lacquered floating elements

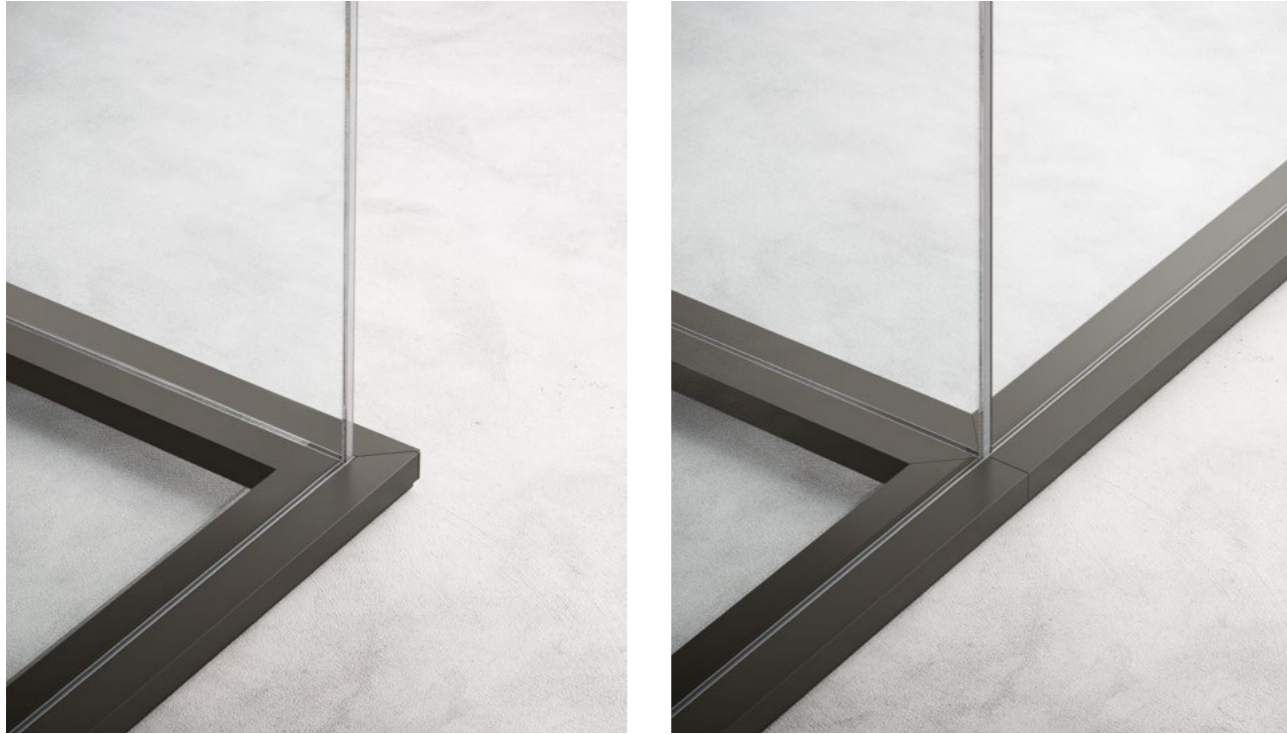

For greater discretion and privacy, the glass is available with a matt treatment that also adds volume to spaces. The hinged door is completed with an aluminium handle with lock.

13

M1 glazed partition | Umbra Grey tracks
X5 desk and meeting table | Oak top and Umbra Grey legs
AVANA sofa | C05/293 fabric
T05 coffee table | Canaletto Walnut

Linear and angular joints meet the floor ensuring perfect stability, strengthening the structure and giving it a streamlined look, thanks also to the slender jambs.

DESIGN OFFICE

27

To ensure greater privacy and personalise the M2 partition system in line with the style of the office, the glass can be lined with a semi-transparent film available in three different colours.

M2 glazed and solid partition | Matt White tracks, Oak panels and doors
P1 partition wall | Oak panels and floating elements
C-STOOL high stool | C05/290 fabric and White frame
CREO high table | White top and frame

The two, three and four-way joints, combined with the partition modules that can be integrated for any configuration, guarantee unique design freedom. The panels can be solid or in glass, and are available in different finishes.

**Delicate transparencies.
The structure of the
M3 wall consists of thin
uprights and single panels
of glass, giving spaces an
airy and harmonious feel.**

Patented system for lining up and levelling of glass panels

The vertical partitions alternate glass walls with solid modules near doors, cupboards and dividing panels, creating a sophisticated game of solids and voids for light and minimalist spaces.

M3 glazed partition | Elm covered tracks
S1 storage wall | Elm doors and panels
OLA pendant lamp | White fibreglass shade
COVE design chair | E04/488 fabric and White base

WARM COLOUR MOODBOARD

Notes of elm, champagne, beige and grey make up a placid and refined colour scheme. Fabrics, metals and woods characterise furnishings suitable for hospitality and sharing.

Note di olmo, champagne, beige e grigio compongono una partitura placida e raffinata. Tessuti, metalli e legni modulano arredi adatti all'ospitalità e alla condivisione.

COOL COLOUR MOODBOARD

Flashes of white and silver are combined with sky blues and seductive transparencies. Matt glass, porcelain stoneware and fabrics give spaces designed for concentration and dialogue a different look.

Riverberi di bianco e argento si fondono con sfumature color cielo e seducenti trasparenze. Vetro opaco, gres porcellanato e stoffe danno un look diverso agli ambienti dediti alla concentrazione e al dialogo.

ECLECTIC COLOURS MOODBOARD

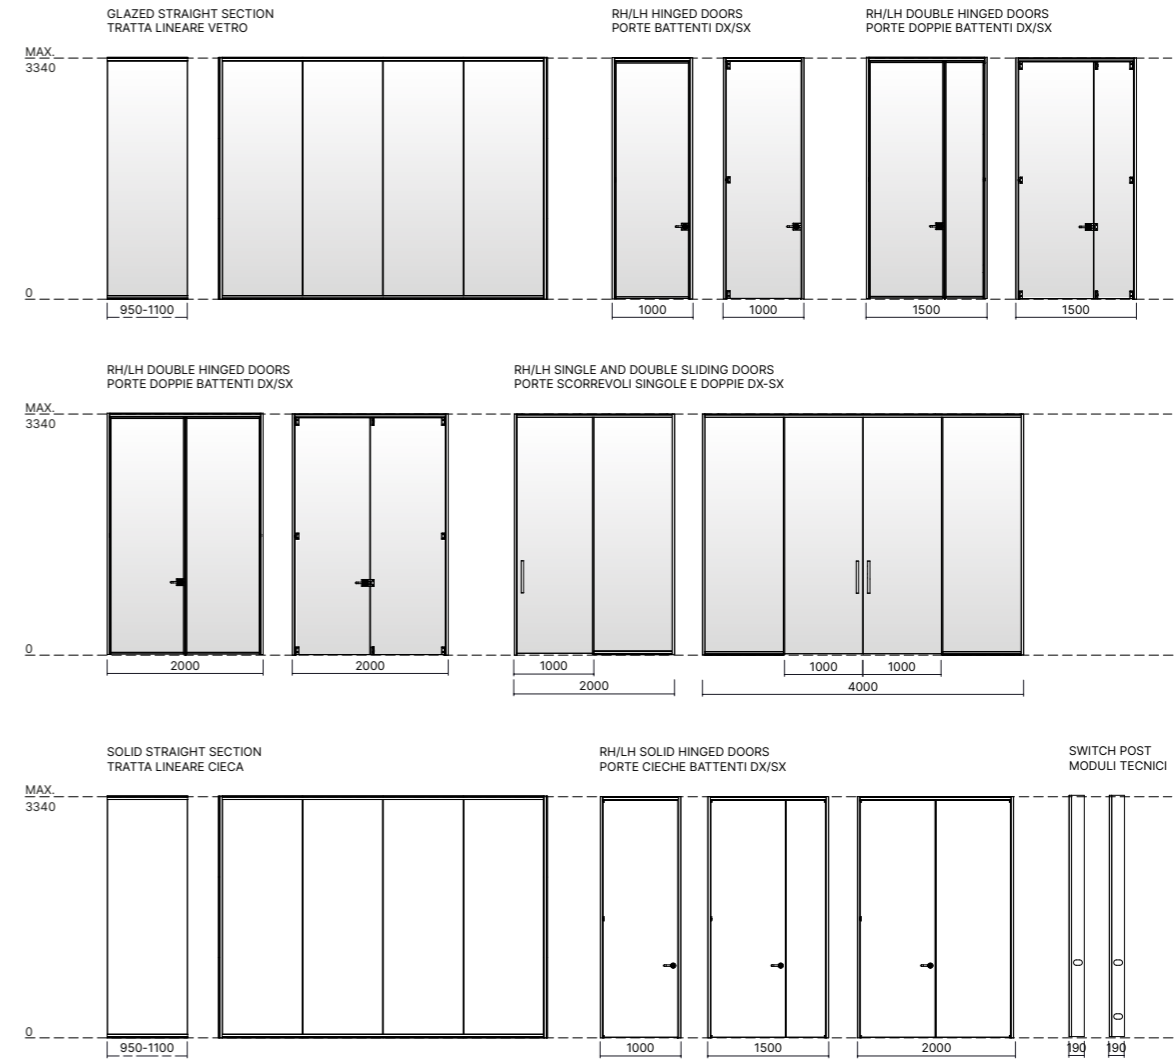

Oak and earthy tones complement white and olive green surfaces as part of a contemplative design. Lacquered and wood finishes together with fabric weaves create fertile spaces for ideas and dialogue.

Tinte di rovere e terra completano superfici bianche e verdi oliva, in un design contemplativo. Finiture laccate e lignee, insieme a trame di tessuto creano spazi fertili per le idee e l'ascolto.
